"Paul" is my last name

Education

Irvine Valley College
- August 2016 - May 2018
- GPA: 3.8 (Dean's List)
- Computer Science

Experience

Grade Potential Tutoring | Tutor
February 2018 - Present
- Taught students concepts in AP Computer Science, college Java, trigonometry, AP Biology and SAT math.
- Created study tools and notes for students to reinforce math and science concepts.

Milestone Clothing Resources | EDI Coordinator
August 2015 - Present
- Set up and maintained electronic Business-to-Business connections through third party EDI providers and company-specific portals.
- Efficiently communicated with retailers (buyers, EDI departments, imagery and inventory departments, etc.) to solve issues and bring new products online.
- Programmed tools for automated inventory management.

Milestone Clothing Resources | Product Designer
June 2017 - Present
- Designed clothing and accessory CADs and tech packs.
- Conceptualized and designed catalogs and booth designs for trade shows and meetings.

University of California, Irvine | Research Assistant
July 2015 - September 2015
- Dissected and stained fruit fly larvae to investigate the role of the MTGO gene in the formation of synaptic boutons.
- Crossed fruit flies of multiple different genes to create stocks.
- Operated confocal microscopes to take images of the larvae which were later compiled and collaged.

Skills

Code: Java, C, C++

UI/UX Design: Illustrator, After Effects, Oragami, Sketch

Webdesign: HTML, CSS, Javascript

Photography: Lightroom, Photoshop

Summary

Antor Paul is a hard-working and driven computer science major. He has been designing web pages and web applications since he was in elementary school. He's also well versed in EDI and business management both from traditional classes and work on the field in addition to technical computer science skills.

To complete his B.S. in Computer Science by 2020, Antor will be transferring to UCI in fall 2018.

Coursework

Computer Science
- CS37 - C++ Programming
- CS36 - C Programming
- CS10 - Python Programming

Math
- MATH 3A, 3B, 4A - Single and Multivariable Calculus
- MATH 24 - Differential Equations
- MATH 26 - Linear Algebra

Misc
- ECON 1 - Microeconomics
